

Magic Message

Surprise your bathroom guests with a special message

Makes freshening easy

This deodorant screen freshens for 30 days, while the flexible vinyl material fits most urinals and traps debris.

Entertains

Our patented process reveals a "magic message" when exposed to liquids above 82°, then disappears shortly afterwards.

Endless marketing opportunities

Show team spirit with sports team and school cheers, promote items in restaurants or bars, encourage people to attend your next big event, or use to promote your products as a distributor.
